

- A59 Rear wiper combination relay
- M31 Rear wiper motor (only for code W62)
- M31.1 Rear wiper motor connector on vehicle wiring harness (only for code W62)
- M48 Left rear wiper motor (only for code W51)
- M48.1 Left rear wiper motor connector on vehicle wiring harness (only for code W51)
- M49 Right rear wiper motor (only for code W62)
- M49.1 Right rear wiper motor connector on vehicle wiring harness (only for code W51)
- X112 Frame wiring harness connector/ tailgate

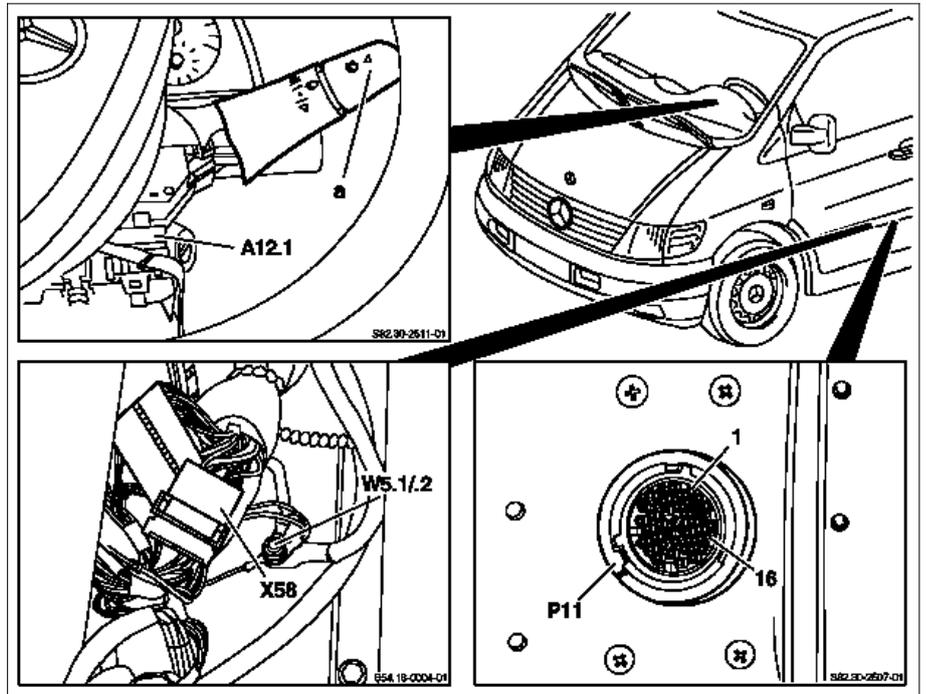

S82.30-2504-06

- A12 Central electrical system with steering column switch
- A12.1 Central electrical system (connector central electric system - steering column switch)
- M6 Windshield washer system pump
- M21 Headlamp cleaning system pump
- M32 Rear window washer system pump
- W17.1/.2/.3 Left engine compartment ground point

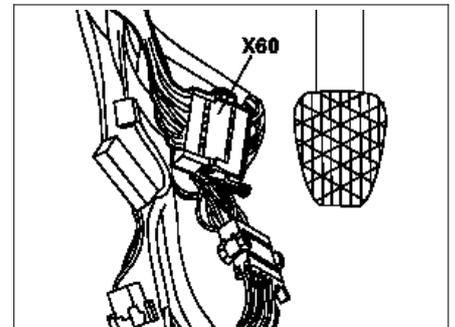

S82.30-2505-06

- A12.1 Central electric connector on steering column switch
- a Steering column switch (rear wiper actuation)
- P11 Diagnostic socket
- 1 Pin 1 for diagnostic socket
- 17 Pin 17 for diagnostic socket
- W5.1/2 Driver's seat frame ground point
- X58 Main wiring harness connector/ frame wiring harness I

S82.30-2506-06

- X60 Instrument panel connector/main left wiring harness I

S54.18-0006-01
